My dear Sir,

With reference to our conversation of last Tuesday, I write to say that I mentioned to His Highness that Mr. Kumaraswami Naik was drawing an allowance of Rs. 150/- a month for Municipal work and His Highness instructed me to inform you that it was his intention that this allowance should cease when a full time chairman was appointed to the Bangalore Municipality. His Highness has finally decided to give a trial to Messrs. Puttanna Chetty and Y. Sreenivasa Rao as Chairmen of the Bangalore and Mysore City Municipalities, but before any definite orders are issued, he wishes you to kindly sound these two gentlemen and ascertain for His Highness' information whether they are willing to take up these duties and if so what remuneration they would expect and you would recommend in the shape of an allowance.

His Highness asks me to remind you again about the Civil Service Rules and to enquire when the papers may be expected.

Yours sincerely,

T Ananda Rao, Esq., B.A., C.I.E.,

Serial No.

The Deputy Commissioner of Mysore District is, at present, the ex-officio President of the Mysore City Municipal Council and Chairman of the Mysore City Improvement Trust Board. It is proposed to relieve the Deputy Commissioner of the Municipal and Trust Board charges. Mr. Y. Sreenivasa Rao, retired Superintending Engineer, is agreeable to accept the Chairmanship of the Municipality and Trust Board for a remuneration of Rs.700 per mensem exclusive of the pension of Rs. 500 admissible to him.

2. Mr. Y. Sreenivasa Rao, if appointed, will have to hold office under two different Regulations. The statutory provisions referred to in the file relating to the whole-time Chairman of the Bangalore City Municipal Council apply also to Mysore Municipality. Under Section 4 of the Mysore City Improvement Regulation No.III of 1903, the Chairman is appointed by the Government.

3. With a separate whole-time President for the Municipality, the place of Vice-President may be brought under reduction and the services of the Amildar continued to help the President Chairman in both Municipal and Trust Board matters.

4. Cost - Municipality. The Deputy Commissioner of Mysore is not given any allowance for municipal work. Two officers, viz. one Assistant Commissioner as Vice-President and one Amildar on special duty, are attached to the Mysore City Municipality. Their salaries amounting to Rs.6,600 per annum are debited to the Municipal Budget.

Trust Board. The Deputy Commissioner

Chairman is granted an allowance of Rs.200 per mensem from the Trust Board Budget.

5. Mr. Y. Sreenivasa Rao may be granted a consolidated allowance of Rs.500 per mensem for the combined charge of the Mysore Municipality and Trust Board. Before formally notifying him to be the President Chairman, Mr. Y. Sreenivasa Rao may be consulted in regard to two matters, viz. that it is proposed to fix his remuneration at Rs.500 per mensem and that the Assistant Commissioner Vice-President is to be recalled for duty elsewhere. It would facilitate discussion and clear understanding if Mr. Y. Sreenivasa Rao makes it convenient to meet the Dewan or the Second Councillor so that he may be in a position to know what the Government propose to do in regard to the Bangalore City Municipal Council. 2

It is proposed that the Deputy Commissioner of Bangalore District should be relieved of his duties as ex-officio President of the Bangalore City Municipal Council and that a non-official should be appointed as President. Rajasabha Bushana Dewan Bahadur Mr. K.P. Puttanna Chetty has agreed to accept the office, if offered to him.

2

2. Statutory provisions. Section 23(2) of the Mysore Municipal Regulation No.VII of 1906 empowers the Government to appoint the President 'by name' from among the Municipal Councillors. Mr. K.P. Puttanna Chetty has first to be nominated by Government as a Councillor under Section 10(1)(b) of the Municipal Regulation. It is understood that no vacancy among Municipal Councillors exists at present but a vacancy may be created by the abolition of the place of Vice-President discussed below.

3. Vice President. When a whole-time President is selected, the Vice-President may not be fully engaged as an officer of the Municipality. Mr. K.P. Puttanna Chetty states that a Revenue Vice-President is not wanted and that a Secretary to the President of the rank of Amildar would be necessary to keep constant supervision over the work of the office and to attend to the details of Municipal work. With reference to the suggestion to have a Secretary to the President, it may be stated that the Municipal Regulation does not contemplate the appointment of a Secretary to the President. The Municipal Council can appoint a Chief Officer whose powers and duties are prescribed in Sections 183, 184 and 185 of the Municipal Regulation.

Note—Contn. sheet.

4. Cost. The Municipal allowance of the ex-officio President (Rs.150) and the salary of the Vice-President are charged to the Municipal Funds. The Bangalore City Municipal Budget for 1911-12 provided Rs.1,800 + 6,000 = 7,800 under these heads.

5. In his D.O. letter dated 12th August 1912, Mr. K.P. Puttanna Chetty proposes (a) that the whole-time President may be allowed an officer in place of the Vice-President and that the present Assistant Engineer may be replaced by a Sub-Assistant Engineer. The financial effect of the proposal is noted below:-

	Present cost per mensem. Rs.	proposed cost per mensem. Rs.
President	150	500
Chief Officer (Secretary)	500	200
Engineer	290	150
	940	850

6. The appointment of a full-time President does not divest the Deputy Commissioner of Bangalore District of his responsibility in regard to the concerns of the City Municipal Council. Under Sections 173, 174 and 175, the Deputy Commissioner of the District can exercise certain controlling powers. The Municipal Council is required to send its budget estimates to the Deputy Commissioner for submission to Government with his remarks (vide Section 169(2)).

7. Three drafts are submitted for orders. Action in regard to Ex-Pub Asst Engineer may be

A free hand will be given to me in the administration of Municipal affairs.

The Deputy Comm's Control will be done away with. The

President will be directly under Government that is, under the Dewan (and not any of the Councillors)

To be added

The Mysore Municipal Regulation will have to be amended in such a way as to suit both systems of work - pending the amendment

of the Regulation. Govt may I think issue an executive order to the Deputy Commr of Bangalore that he will cease to be President of the City Municipality & will not exercise the powers mentioned in sections 173, 174, 175 & 180 and sec 24 (1)(d) -

Submitted to His Highness

A

As directed by His Highness in Mr. R.H.Campbell's D.O. letter No.58 of the 9th August 1912, the late Dewan consulted Messrs. K.P. Puttanna Chetty and Y. Srinivasa Rao in regard to the non-official Presidentship of the Bangalore and Mysore City Municipalities, respectively. The replies given by them to Mr. Ananda Row's offer are submitted for His Highness' information.

B + C.

2. I think that, to start with, the experiment of having a non-official President may be tried in the case of the Bangalore City Municipality. The question of the Mysore City Municipality may be taken up for consideration separately.

3. In agreeing to accept the office of non-official President of the Bangalore City Municipal Council, Mr. K.P. Puttanna Chetty, in his letter to the late Dewan, made the following suggestions for the consideration of Government -

B

(i) The President's allowance should be fixed at Rs. 500 per mensem.

(ii) The costly Revenue Vice-President may be re-placed by a Secretary to the President (or Municipal Council) of the rank of an Amildar on a pay of Rs.200 per mensem.

(iii) A highly paid Municipal Engineer was not wanted

and this officer may be replaced by an Overseer, First class, or Sub-Assistant Engineer, on Rs.150 per mensem.

(iv) The Deputy Commissioner of the Bangalore District should have no control over the affairs of the City Municipal Council and the President should be under the direct orders of Government.

4. Since the above communication was received from Mr. K.P. Puttanna Chetty, I have had a talk with him in regard to his emoluments and the changes he has proposed in the Municipality. He has no desire to propose any radical changes in the present constitution of the Municipality and has no objection to the Vice-President and the Municipal Engineer being continued. He does not press for an allowance but only wants the Municipality to place at his disposal the use of a motor car to enable him to effectively move about for purposes of inspection. This will entail on the Municipality a charge of about Rs.200 per mensem towards the maintenance of the car, besides a sum of about Rs.6,000 towards the initial cost of the car.

5. As regards the suggestion made by Mr. K.P. Puttanna Chetty to divest the Deputy Commissioner of all control over Municipal matters in the City, the Statutory provisions may, for the present, be overcome by issuing confidential instructions to the Deputy Commissioner of the Bangalore District not to exercise all or any of the

(17

powers conferred on him under Sections 173 to 175 of the Municipal Regulation without the previous permission and sanction of Government so long as Mr. Puttanna Chetty continues to hold the office of President

6 Mr. Puttanna Chetty has also asked (vide his letter dated 18th December 1912), (i) that necessary changes in the personnel of the Municipal Establishment should be sanctioned at his suggestion, (ii) that he should be given a free hand in the administration of Municipal affairs and (iii) that the President should be directly "under Government, that is, under the Dewan and not any of the Councillors"

7 With regard to the above requests it was verbally explained to him (i) that his suggestions regarding the personnel would receive the favourable consideration of Government provided the recommendations were reasonable and (ii) that he would be allowed a free hand in the administration of Municipal affairs as long as Government sympathised with his policy

8 As regards the third point, since Mr Puttanna Chetty is giving his honorary services to the public, I think Government may accept his offer on his own hard terms There is no reason why, as a special case, the Dewan should not directly deal with the references concerning

(18

concerning the affairs of the Bangalore City Municipality

30 9 Mr. Puttanna Chetty has agreed to accept office for a period of one year to begin with

31 10 The accompanying seven drafts were discussed at a Council Meeting on the 14th instant and unanimously approved The favour of His Highness' approval is now solicited

Order - MD 5311-51 / Rul 236-12-1 Dy 22.1.13

The Government of His Highness the Maharaja have had for some time under their consideration the question of appointing a non-official President for the Bangalore City Municipality. The Deputy Commissioner who is now the ex-officio President, is, on account of the multifarious duties of his office, unable to devote that amount of attention to its affairs which their growing importance and magnitude demand. Moreover, there is, in Bangalore, a large number of experienced and capable citizens, including retired officers of Government, who are competent to fill the office of President of the Municipality with credit. In these circumstances, Government consider that the time is opportune for appointing a non-official President, and they are, therefore, pleased to direct that, in supersession of para 3 of Government Order No. 12906/Ml. 588-05-2 dated 18th June 1906, the Deputy Commissioner of Bangalore be relieved of his duties as ex-officio President of the Bangalore City Municipal Council and that a whole-time President be appointed for the Municipality.

2. Rajasabhabhushana Dewan Bahadur Mr. K.P. Puttanna Chetty, ~~who~~ and has been offered, has agreed to accept the honorary office of President. Government are accordingly pleased to appoint Rajasabhabhushana

Dewan Bahadur Mr K P Puttanna Chetty as President of the Bangalore City Municipal Council, under Section 23(2) A of the Mysore Municipal Regulation of 1906, with effect from 1st February 1913

3 In order to enable Mr Puttanna Chetty to move about for purposes of inspection and other work connected with his municipal duties, a motor car should be placed at his disposal The initial cost of a car as also all reasonable charges for its maintenance will be borne by the Municipality

4 Under Section 169(2) of the Mysore Municipal Regulation, the Budget estimates have to be sent to the Deputy Commissioner for submission to Government, in all other matters the President will correspond direct with Government
